

PROPOSED ZONING CODE AMENDMENT: RELIGIOUS FACILITY HOUSING

The City of Pasadena Planning & Community Development Department will hold a virtual community meeting to define regulations related to permanent housing on properties owned by churches and other faith-based organizations.

Please join us for a live webinar on Tuesday, December 15 at 6:00 PM where city staff will present background information and proposed options for housing on properties owned by churches and faith-based organizations, as well as answer questions from participants.
